A reminder that we are a part of a full school system (infants to highschool) and we close the days they close in an effort to keep the same schedule. With that in mind dates may possibly change. Our church also hosts two annual Marriage Retreats, February (oceanside) and October (pismo beach) that all are invited to! If you would like more information on where they will be held this year please feel free to ask, we'd love to see you there!
